Attorney's Docket No.: 14875-147US1 / C1-A0226P-US

REMARKS

The amendments to the specification correct the title, add a cross-reference to related applications, and insert a paper copy of the sequence listing in which the general information has been updated to reflect accurate information for the instant application. The amendments also correct typographical errors in the Sequence Listing filed in the international phase: the nucleotide length at the numeric identifiers <211> and <400> . These corrections are obvious from the nucleotide sequences of SEQ ID NOs: 1, 2, and 3, respectively.

I hereby state that the content of the paper and computer-readable copies of the Sequence Listing, submitted in accordance with 37 CFR §§1.821 (f) and (g), respectively, are the same and contains no new matter.

Please apply any charges to deposit account 06-1050, referencing Attorney-Docket No. 14875-147US1.

Respectfully submitted,

Date:
